## Affordable Finance

### For Pet treatment that works for **YOU**

*Making treatment more affordable*

Developments in technology have radically changed the way vets are now able to treat our pets, making a wide range of choices available to us. The good news is that to enable you to meet the cost of any treatment offered to help your pets, we can offer affordable finance solutions.\*

Whatever treatment is proposed, you can easily arrange the right amount of finance to be repaid over a period of time that suits you best.\* Repayments are collected automatically by Direct Debit each month.

Your application will be handled immediately and in most cases the finance will be authorised within minutes, so your pet's treatment can start straight away.

The process is very simple, there is a single form you have to complete. Your Vet will send it directly to Braemer Finance for immediate approval if required. As soon as your application is approved, funds will be made available. As the expert finance providers to the Veterinary profession, Braemer Finance has a sound and established reputation which now extends to help veterinary clinics.

Find out more about how this service can help you.

Ask at reception for details.

Finance approval is subject to status

\*Minimum amount of finance is £500. Repayment terms available up to 12 months.
