

# Evening event to meet the Exotic Team at Rutland House Veterinary Hospital 16th October 2019 at 19.00

We would like to offer the opportunity for a number of clients to come to an evening event to be held at Rutland House Veterinary Hospital, to come and get to know the team who work within the exotics department.

This is an informal event where the team will introduce themselves and give you an insight into a typical working day within the exotic department, you will be given a virtual tour of the practice where you will get to see behind the scenes at what not only the exotic team, but what the rest of the hospital has to offer.

You will learn what the nursing team does for your pets in the hospital area and in the operating theatre.

You will be shown some real cases that the team have done and what range of work is available to different patients.

The team will explain what they've achieved to get them to this point in their career and what further qualifications they have undertaken to make them qualified to deal with exotic pets

If you are interested in attending then please email

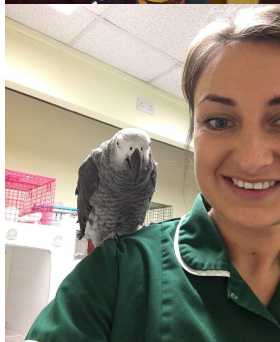

[exotics@rutlandhousevets.co.uk](mailto:exotics@rutlandhousevets.co.uk)

Places are limited so please get in touch to get a place.

This is an informal evening and the team will not be able to answer any questions in regards to a specific problem with your pet.

If you have any concerns or your animal needs to be seen please contact the practice on **01744 853820** and we will be happy to make an appointment with the exotics team
